3) Construction of hostel is a public purpose. The Govt. may acquire property for this or any private person may be entitled to Govt funds, as in case of many persons for acquisition of land for village schools. Acquisition of land for Panchayat must stand on a different footing as it may be mainly used by the Govt and it may be useful for the public only incidentally. The hostel will be used by the Govt mainly as a school

4) The acquisition may be sanctioned and the notification may be issued
